Dear Doctors,

Re: Vila Central Hospital local specialists' concerns

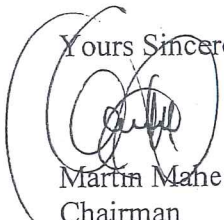

I refer to your letter of 3rd November 2017 regarding the above matter.

In responding to your query, my answers are as follow:

1. With reference to issue 1 the Commission has approved the permanent transfer of the 3 doctors with 262 other health personal in the new approved structure effective from Monday 6th November 2017. The transfer of the 3 doctors is now pending and put on hold on the basis that they must provide in writing the assurance of their commitment to provide health services within public service to the people of Vanuatu.
2. In relation to point 2, the salary grading will be regularize with the implementation of GRT effective from 1st of January 2018. You are regarded as public servants and it will only be fair for you to await the implementation of GRT similar to other public servants as of 1st of January 2018.
3. In relation to issue 3, with the GRT coming into effect, PSC is in the process of removing the special skills allowance in the PSSM. Note that Special skills allowance and responsibility allowance will be taken care of by the GRT which is the government responsible authority determine the salaries, allowances and remunerations of government employees.

I remind you that you are appointed as doctors to provide health services to the people of Vanuatu. In view of your continuing threats to the Commission, please note that you are free to tender 3 months' notice of resignation should you not happy with your current work conditions.

Yours Sincerely,

Martin Mahe
Chairman
PSC
